TERMS OF SALE

1. Prices

Our prices are indicated in euros per meter (€/m), excluding VAT and transport.

Shipping charges are included in the invoice, unless you indicate that you sent to pick up your own agency.

If you need large quantities, ask for prices. We do discounts for volume purchases.

2. Manufacturing and delivery deadlines

REF	Production Time
In stock	5-7 days
No stock	15-20 days
"E" Reference	20-25 days

Transit times agencies are generally between 1-3 days depending on destination.

Both the timing of manufacture and delivery are approximate. Therefore for each order will be confirmed a date.

The advance payment does not imply that the products come out the day when the payment is made. This is understood as an order confirmation.

3. Items in Stock

The materials in stock are usually in bars of 6 meters long and in white or natural color. At certain times, for manufacturing residues, there may be smaller bars or other colors. Check in each case.

In general cutting to size are not charged. However, the remnants of the cut of the profiles in stock are paid by the buyer.

When cutting pieces below 200 mm, the price will be increased by 10%.

4. Technical specifications

All profiles displayed in this list can be performed on any type of resin according to buyer requirements: orthophthalic, isophthalic, vinylester-epoxy or fire-resistan.

Likewise, all profiles can be manufactured in any of the three types of fiber work: fiberglass, carbon fiber or basalt fiber.

For profiles with specific color properties, resins, or other, it will require a minimum order. The amounts depends on each type of profile.

Moreover, our materials can be manufactured with UV rays stabilizers on request of the buyer.

5. Payment conditions

The first order, and orders below 300 €, will be paid in advance. Next orders will be studied in each case the payment as long as the order exceeds 300 €.

If you request a study of credit conditions, the costs of such a study, whether it is positive or not, will be billed to the customer. The amount of the study is 30 €.

In any case the payment terms will exceed 60 days invoice date or 30 with payday, by direct debit.

Payment deferrals, as well as all delays in payments, will generate an invoice with deferred expenses or interest on arrears.

6. Minimum quantities

Some products with no stock need a minimum quantity in order to be manufactured. In the price list, both the product and the order quantity needed to carry out their manufacture are indicated .
